Writing Assignment 2: *Fluency*

For this assignment, you'll be visiting the website of the **Stuttering Association of the Young (SAY)** to learn more about people's personal experiences and perspectives on stuttering.

Please do **ONE** of the following:

- A. watch three videos from this link: <http://www.say.org/mystuttervideos/>
(unfortunately, these videos are not captioned)

OR

- B. Read three blog posts from this link: <http://www.say.org/mystutterblog/>

Then, write a reflection paper that answers the following questions, **in paragraph form:**

1. Which videos did you watch (please list the names of the three speakers), or which blog posts did you read (please list the titles of the three posts)?
2. Regarding the personal experiences with stuttering that you watched/read about ...
 - What were some ways in which people's experiences were different? Please give specific examples.
 - What were some ways in which people's experiences were similar? Please give specific examples.
3. If you don't stutter, how do you think stuttering would affect your life (school, work, relationships with friends and family, etc.)? If you do stutter, what are some ways in which stuttering has affected your life?

The assignment should be 2 pages long and 12-point double-spaced Times New Roman font with 1-inch margins on each side. It must be submitted on Moodle as a Word document or PDF by **9:00 PM on Friday, 10/7 (with a grace period of Sunday, 10/9 at 9:00pm).**
